

# Liv' in

Batterie de Cuisine

## Look who's come to town...

Liv' In proudly announces the opening of our Nelspruit store and would like to invite you to experience our ensemble of individually selected, globally renowned brands, that will provide you with

the "batterie de cuisine" for everything from the preparation of your culinary delights to modish presentation and every step in between. Whether for fun or sophistication, our utensils, kitchenware and accessories will offer you the quality, longevity and convenience of having the correct tools for every delectable occasion. Used by professional and aspiring chefs across the globe, we are proud to be associated with some of the most trusted kitchen brands available and have no doubt that your next choice will be the right one.
